**FOR ANIMAL TREATMENT ONLY.  
THIS PRODUCT DOES NOT CONTAIN  
RESTRICTED ANIMAL MATERIAL.**

Olsson's Weaner Pro contains bypass protein for the rumen development of young animals. Weaner Pro is ideal for weaners, boosting growth rates, but can also be used for breeders and finishers.

## DIRECTIONS FOR USE

### Feeding Instructions:

Use in accordance with the Olsson Free Choice System.

**Sheep/Goats:** 1 block per 90 head

**Cattle:** 1 block per 25-30 head

Place out sufficient blocks to avoid overcrowding of stock. Replace blocks immediately when consumed.

Intake is recommendation only. Higher intakes are normally the result of mineral deficiencies.

Avoid contact with skin and eyes.

**Warning: Products containing urea can be toxic to livestock. Please ensure proper farm management practices are employed.**

### Storage Instructions:

Store out of direct sunlight and under cover.
