35 & 85kg
blocks

Olsson's Grow Pro 50 is a high protein block to assist with the rumen development of young calves and lambs. It contains essential minerals & Prosin™, a stable and easily digestible source of protein produced through the microbial fermentation of natural raw materials such as raw sugar and beet molasses.

Grow Pro 50 is ideal for weaners, growers, breeders and finishers.

Warning: Products containing urea can be toxic to livestock. Please ensure proper farm management practices are employed.

DIRECTIONS FOR USE

Feeding Instructions:

Sheep/Goats: 10-15g per head per day

Cattle/Horses: 80-150g per head per day

Intake is recommendation only, higher intakes are normally the result of mineral deficiencies.

Avoid contact with skin and eyes.

Storage Instructions:

Store out of direct sunlight and under cover.
