FOR ANIMAL TREATMENT ONLY.
THIS PRODUCT DOES NOT CONTAIN
RESTRICTED ANIMAL MATERIAL.

Olsson's Superphos 8% is a multi-nutrient supplement used to reduce phosphorus deficiency and provide energy for metabolism, growth, digestive function, fertility and lactation for all livestock.

Superphos 8% helps improve fertility and milk production, as well as help lower mortality rates and aids in reducing prolapse.

Advantages of Superphos 8% include:

- No wastage
- Weather resistant
- Cost effective
- Controlled intake
- Quality source of phosphorus

DIRECTIONS FOR USE

Feeding Instructions:

Use in accordance with the Olsson Free Choice system.

Sheep: 5-10g per head per day

Cattle/Horses: 50-100g per head per day

Intake is recommendation only. Higher intakes are normally the result of mineral deficiencies.

Place out sufficient blocks to avoid overcrowding of stock. Replace immediately when consumed.

Locate blocks away from watering points to avoid over consumption and to encourage stock to graze out, utilising the available paddock feed.

Avoid contact with skin and eyes.

Storage Instructions:

Store out of direct sunlight and under cover. Edible carton and packaging.
