

GOAT BLOCK

AVAILABLE IN 2 & 20KG BLOCKS

A pressed multi-nutrient supplement designed specifically for deficiencies common in goats, such as cobalt, copper & selenium.

NEW AND IMPROVED. Olsson's GOAT (Greatest of All Time) Block is a salt based supplement which has been formulated for goats. It's available in 20kg lick blocks and convenient 2kg bricks. Goats have common mineral deficiencies for cobalt, copper, iodine and selenium, dependent on the available pasture. Manganese and zinc deficiencies can also be common in some parts of Australia.

Storage Instructions:

Store out of direct sunlight and under cover. Avoid contact with skin and eyes.
