**FOR ANIMAL TREATMENT ONLY.  
THIS PRODUCT DOES NOT CONTAIN  
RESTRICTED ANIMAL MATERIAL.**

Available  
in 100kg  
blocks

Olsson's Grow Pro 70 is a high protein block to assist with the rumen development of young calves and lambs. It contains essential minerals & a microprotein blend, a stable and easily digestible source of protein produced through the microbial fermentation of natural raw materials such as raw sugar and beet molasses.

Now with added probiotics for improved feed conversion.

Grow Pro 70 is ideal for weaners, growers, breeders and finishers.

**Warning: Products containing urea can be toxic to livestock. Please ensure proper farm management practices are employed.**

## DIRECTIONS FOR USE

### Feeding Instructions:

**Sheep/Goats:** 10-15g per head per day

**Cattle:** 80-150g per head per day

Intake is recommendation only, higher intakes are normally the result of mineral deficiencies.

Avoid contact with skin and eyes.

### Storage Instructions:

Store out of direct sunlight and under cover.
