**FOR ANIMAL TREATMENT ONLY.
THIS PRODUCT DOES NOT CONTAIN
RESTRICTED ANIMAL MATERIAL.**

Olsson's Arginine horse is a block containing 4% arginine and 0.1% silymarin.

Birdsville disease is a disease of horses caused by the consumption of *Indigofera linnaei*, with symptoms including incoordination of gait and dragging of hind limbs.

Arginine Horse block should only be used as a preventative measure and veterinary advice should be sought when symptoms are present or if paddock is heavily infested with Birdsville Indigo.

DIRECTIONS FOR USE

Feeding Instructions:

Feed rates are dependent on pasture conditions.

Horse: Feed on an ad lib basis.

Initially the consumption rate will be higher than average, but higher rates of consumption will drop after an initial "gorging" period. Replace immediately when consumed.

Avoid contact with skin and eyes.

Storage Instructions:

Store out of direct sunlight and under cover. Edible carton and packaging.
